

# ITT

## Water & Wastewater

*ITT W&WW - Canada is in the business of sales and service of ITT W&WW submersible products and adjacent equipment.*

*Our Dewatering division is in the business of equipment rental and project dewatering. We are the originator and world's largest producer of submersible pumps manufactured in a state-of-the-art world-class facility located in Sweden.*

---

### Flygt Submersible Drainage Pumps

2000 Series - Pumps for drainage applications

---

### Flygt Submersible Wastewater Pumps

3000 Series including N pump for handling municipal and industrial effluent

---

### Flygt Submersible Mixers

4000 Series - Direct Drive and Banana Blade models for mixing, blending and re-suspending

---

### Other Flygt Products

5000 Series Slurry and Wear resistant pumps  
7000 Series PL Axial Flow pumps  
8000 Series Vortex pumps  
Access Frames  
Fish screens  
Jet Aerators  
PC & Grinder Pumps  
Stainless Steel Pumps

---

### Flygt Monitoring and Control Products

VFD's, RTU's, PLC's Controls for pumping applications  
Automatic and Manual Controls for all products  
ENM-10 Level Regulators and other level detection devices

---

### ITT W&WW Reseller Products

Ready Pumps  
Lowara Pumps  
Small pump tanks, controls and accessories

---

### ITT W&WW Dewatering (Canada wide)

Complete dewatering projects and designs  
Submersible pumps and engine driven pumps  
Generators, Controls, Couplings and Kwik-Lok pipes/hoses  
Full range of dewatering accessories

---

### Atlas Copco

Blowers

---

### Engineered Valves (IBG)

Municipal Fabri-Valve Valves

---

### Goulds (IBG) Municipal Pump Products

(Municipal Market only - Canada wide)

End-suction and Double Suction Pumps for W&WW applications

NS Series Wastewater Pumps

WW Series Solids Handling Pumps

---

### Leopold

Filters, DAF systems and sludge collectors

---

### Sanitaire

Diffused Aeration systems and ABJ SBR units

---

### Thompson Pump Engine Driven Pumps

(Canadian Master Distributor)

Diesel Engine Self-Priming Pumps

Diaphragm Pumps

Wellpoint Pumps and Systems

---

### Vogel Pumps

Clean Liquid Centrifugal Pumps

Multistages Pumps

Borehole Submersible Pumps

---

### Wedeco

UV and Ozone systems

---

### Other Services

Flygt original and guaranteed spare parts

Preventive maintenance agreements

Pumps repair services

Rentals of pumps and accessories

Water-handling solutions

*Engineered for life*

## Alphabetical listing

- |                                |                                  |                                |
|--------------------------------|----------------------------------|--------------------------------|
| 2000 Series Drainage Pumps     | Diffused Aeration systems        | N-Pumps                        |
